NEW YEAR SELL-O-LUTION

THE IDEA!

Based on a fun take of converting new year 'resolution' into a 'sell-o-lution' the idea is to motivate potential sellers to publically declare a list of stuff, they pledge to sell off before the end of this year and make a fresh 2015 start!

Cashing on the social hype of making and trying to live up to new year resolutions, the sell-o-lutions are a way of convincing people to sell their stuff and gain freedom from old to make a fresh new start.

Mainly catering to the sellers, this concept aims at increasing product uploads on OLX portal and hence indirectly attracting new buyers as well.

NEW YEAR SELL-O-LUTION

PROCESS & EXECUTION!

Youtube & facebook videos, talking about how new year resolutions have been replaced with sell-o-lutions; the idea will be positioned as the new cool thing to do.

Motivated users shall upload their sell-o-lution videos with products on a dedicated sell-o-lution youtube channel or FB page or a dedicated app. The most liked/worth recognizing sell-o-lution entry will be highlighted in the special 'sell-o-lution' tab on the OLX website.

Convincingly well made sell-o-lution videos can be used for extending the idea on TV ads as well. Sell-o-lutions that really helped people get a fresh new start for 2015 can also be promoted as 'Best sell-o-lution of 2015'

NEW YEAR SELL-O-LUTION

WHAT DOES THE USER GET?

- Primarily the popularity of having made the best sell-o-lution in 2015
- The top 3 sell-o-lution stories can also be given bumper prizes in the form of a brand new product, same as sell-o-lutioned one (for e.g. if the sell-o-lution is about selling off an old TV, the bumper prize could be a brand new LED TV)
- People making maximum number of sell-o-lutions (maximum number of products put on sale) can also be separately highlighted and rewarded
