### **OPTION 5 - Testimonials**

- "It was a great, painless and smooth operation. I could hardly tell when did treatment start and when it ended."

- "I was afraid of the idea of a doctor personally handling cataract operation. Catalys's Robotic Surgery was a great relief."
- "I can't believe that robotic surgery can be this perfect and flawless! Thanks to Kothari Eye Hospital for introducing Udaipur to Catalys Surgery."
- "We were planning to go to Mumbai for my Dad's cataract operation. Luckily, we found the same advanced option in Udaipur itself! Thanks to Kothari Eye Hospital for introducing Udaipur to Catalys Surgery."
