American InfoSource presents  
**2017 BANKRUPTCY & ESTATES CONFERENCE**

*BALANCING RECOVERY RISKS and OPPORTUNITIES*

Gaylord National Resort, National Harbor, MD, September 21-23, 2017

Join us at the 2017 Bankruptcy & Estates Conference, American InfoSource's annual education and networking event. Each year, this conference gives first-party credit issuers a chance to identify new opportunities for optimizing revenue, discuss the industry's most pressing compliance challenges, and network with peers and industry professionals.

We've created a non-competitive environment where strategy, operations, and legal professionals from the nation's largest banks, auto financiers, mortgage servicers, and telecommunications providers meet to discuss best practices and learn about the latest updates and trends in bankruptcy and deceased account management.

In our General Sessions, you will hear from Bankruptcy Judges and Trustees, Debtor and Creditor Counsels, Probate Attorneys, and members of the CFPB, OCC and other regulatory bodies. You can also take a deeper dive into compliance issues, operational best practices and recovery analytics with your peers during our "Creditor Only" Roundtable sessions.

There are NO REGISTRATION FEES to attend. Participants are only responsible for travel and hotel costs. AIS will cover all conference materials, breakfasts, lunches and dinners. Group dinner outings will be held at the area's finest restaurants and exciting recreation activities will be available for attendees.

This year, we will offer an exclusive guided tour of the White House!

Discounted room rate for attendees is \$236. For more information, please visit:
